Dear Pat,

Re: Support of the Queensland Cancer Fund in the 2006 Gold Coast Airport Marathon

Thank you for your group's support of the Queensland Cancer Fund through your participation in the 2006 Gold Coast Airport Marathon.

As part of your 'Dig Deep for Elaine' campaign, the Pat Carroll Running Group raised almost \$5,500 to be dedicated towards our cancer research, education programs and patient support services to help the 18,000 Queenslanders diagnosed with cancer each year.

Elaine's efforts in the marathon were truly inspirational, and it was wonderful to witness first-hand the impact that such a tremendous personal achievement has on a group of people.

Thank you again for your support, and all the very best with the group's future running endeavours in 2007.

Kind Regards

Fiona Gemmell
